ADDITIONAL INFORMATION AND TECH REQUIREMENTS:

- 32 Channel Mixing Console (minimum)
- Funkiphino travels with all required mics, cables and stands with the exception of OH drum mics & stands. *If OH drum mics are required, house shall provide. OH mic choice is house engineer's discretion.
- Funkiphino travels with an Aviom personal In-Ear monitor system and all inputs must plug into Funkiphino's input rack. Funkiphino will provide FOH with a 36 channel snake with labeled inputs.

MONITOR MIXES

Funkiphino travels with an Aviom personal in-ear monitor system. In the rare case we are unable to utilize our in-ear rig, monitor mixes are as follows:

1	Lead Vox
2	Keyboard
3	Drums Requires 1/4" input for personal mixer.
4	Bass
5	Guitar
6	Horns

PREFERRED MINIMUM STAGE SIZE: 20' Wide x 16' deep

POWER REQUIREMENTS: 3 dedicated 20 Amps Circuits
